MODEL AL-125

HIDDEN STORAGE LIFT / KITCHEN APPLIANCE LIFT

Lift Extends	26″ [66 cm] Upwards
Maximum Weight	125 lbs [56.7 kg]

This convenient pop-up storage mechanism conceals and reveals household items at the push of a button. It's installed with your custom-built enclosure; AL-125 accommodates items that only require the stability of one lift column. It's commonly used to store coffee makers, food mixers and other items in "dead-corner" spaces with L-shaped countertops.

- Control with a remote or wired button pad
- Collision-detection provides user safety
- Near silent operation
- 10-year warranty
- Fast lead times

All Nexus products are shipped in custom-made protective packaging, and they include everything you need to mount and operate them. The products are designed for easy assembly, and simple instructions with photos are included.

MODEL AL-125
