For Up to 65″ TV

Lift Tilts	95° Downwards
TV Maximum Screen Size	65″
TV Maximum Height	36″ [91.4 cm]
TV Maximum Width	61″ [154.9 cm]
TV Maximum Depth	4.25″ [10.8 cm]
Maximum Weight	120 lbs [54 kg]

Everything you love about Model CL-65, and more. Our original flip-down TV lift has evolved, and now allows for installation in the ceiling framing or bolted directly onto the ceiling surface; CL-65+ also features improved cable management, easier installation of the attached ceiling panel, an optional motorized latch for locking in the stored position, and an even cleaner aesthetic. It requires just 7-5/8" of vertical space for in-ceiling installations, and accommodates up to 65" TVs.

Near Silent Operation / Easy to Install / Ships Fully Assembled

All Nexus products are shipped in custom-made protective packaging, and they include everything you need to mount and operate them. The products are designed for easy assembly, and simple instructions with photos are included.

MODEL CL-65+

TECHNICAL SPECIFICATIONS

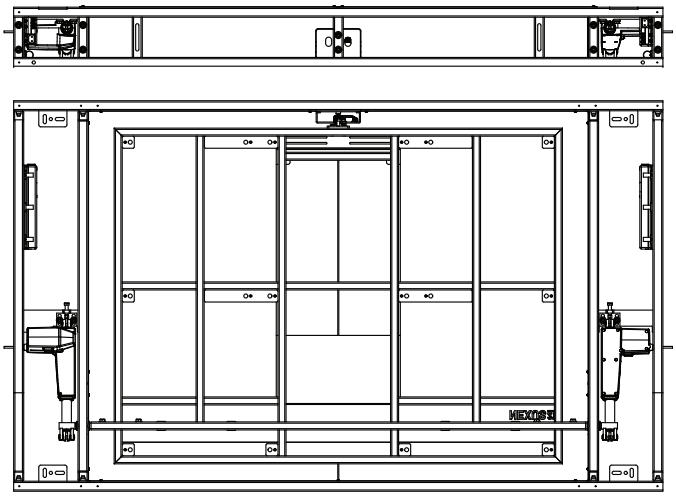
DIMENSIONS AND DIAGRAMS

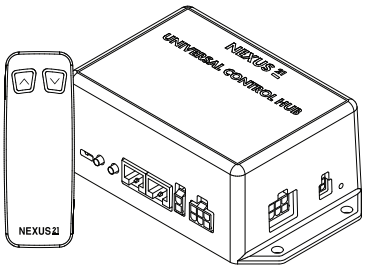
Detailed build dimensions and diagrams are available for download at Nexus21.com



CONTROL OPTIONS

This lift features the Nexus 21 Universal Control Hub which includes:

- IR (direct + indirect)
- IP (wired + wireless)
- Contact Closure
- RF (handset included)



INSTALLATION TIPS

Tip #1: Calculate the weight of the flip-down panel that will attach to the lift before installation so you know you are within the weight limit

Tip #2: Bevel the rear edge of the flip-down panel at 45° to achieve a 1/8" reveal

Tip #3: Use the adjustment screws to fine tune the flip-down panel so it is flush with the surrounding ceiling

MOUNTING FOR FLIP-DOWN PANEL

Match any ceiling material to seamlessly hide the lift within the ceiling (weight limit applies).

Use appropriate fasteners for attaching the flip-down panel material (see installation manual).
