ALL NEW DESIGN WITH
NEXT-GENERATION MOTORIZATION

MODEL L-77ix

CEILING DROP-DOWN TV LIFT WITH MOTORIZED SWIVEL

For Up to 86″ TV

Lift Extends	52″ [123.1 cm] downwards
Motorized Swivel	+/- 180 degrees
TV Maximum Screen Size	86"
Maximum Weight	150 lbs [68 kg]

(Max weight includes TV + soundbar + ceiling cover panel)

Model L-77ix is a cutting-edge product that redefines the way you experience home entertainment, offering 360-degree viewing positions, 2 programmable positional presets, and simplified installation. Now you can reveal a TV from the ceiling and effortlessly swivel it to the perfect viewing position, all at the touch of a single button.

This unit can be installed in the ceiling and can also be mounted on vertical surfaces, such as areas with transitional height ceilings.

All Nexus 21 products are shipped in custom-made protective packaging, and they include everything you need to mount and operate them. The products are designed for easy assembly, and simple instructions with photos are included.
